Dear Sirs

**RE: HOUSING DEVELOPMENT, PHASE 2A & 2C**  
**ONG SUM PING, BANDAR SERI BEGAWAN**

On behalf of Tobishima Corporation, we sincerely would like to thank Readymix (B) Sdn Bhd for your support, service and most important by providing quality product on your part in making the above-mentioned project a success.

Due to the strict requirements of the well known Consulting Engineers for the project, it was vital that concrete were supplied from your batching plant then at Jalan Menter Besar, which is of close proximity to the site. It made the concrete supply easier and more efficient without delay.

For the long term relationship, association and cooperation, we trust we could work closely in other upcoming projects in the near future.

Yours faithfully  
TOBISHIMA CORPORATION
